

Year 3 – Term 4

Enriching generations to serve and flourish

The theme for this term is *Inspiration!*

We are continuing our work from home learning throughout lockdown for the rest of Term 4 and although it is a short amount of time we will be very busy in the lead up to Easter. The children are learning about Extreme Earth in **Geography** lessons to support their geographical knowledge of the world.

For **Art** we will be using our sketching skills to draw real life objects, focusing on things outside as much as we can.

During **P.E.** lessons the children will be doing team games and developing their throwing and catching skills alongside their communication skills with others.

In **French** we will be learning about different animals. The children will begin to learn the recorder in **Music**.

In **PSHE**, we will be looking at what it means to be healthy.

In **Maths** this term, we will measure and revise what we have learnt so far in Year 3.

Enrichment

Dates for your diary

Friday 19th March- Red Nose Day

Monday 22nd March- 3JC Forest School

We return back after Easter on Monday 19th April.

Homework

We will not be setting formal weekly homework activities this term while we continue to focus on the children settling back into school. However, children can still be practicing their spelling skills using the Sir Linkalot app and their maths skills using Mathletics at home as well as reading every night and practicing their times tables and mental maths.

RE

This term we will be learning about Empathy. This is the value being focused on in year 3 in line with the new school vision and we will be exploring Empathy through the Parable of the Good Samaritan.

“Love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind. Love our neighbor as you love yourself.”
Luke 10, v27.

Contact and support

REMINDERS – Year 3 PE days remain a Monday and Tuesday this term but may change next term when we begin to regularly have forest school every week. Also, children must bring a bottle of water to school with them every day. Children asking for a drink who do not have one are having to be given a cup of water as we are currently unable to access the water fountains.

If you have any questions or issues, you can message us via Class Dojo or send an email to year3@ditton-jun.kent.sch.uk

Miss Semark and Mrs Couchman
