Monday 6th September 2021

Dear Mums, Dads and Carers,

If you suspect that your child may be showing symptoms of Covid19, please isolate them and book a PCR test. Please note, that this is **not** a Lateral Flow test that can be done at home, it is one you have to book and take at a centre. Please then contact the school and myself at: headteacher@ditton-jun.kent.sch.uk to let us know when the test is booked for and as soon as you receive the result. This can be via a screenshot of the email or text if preferred.

Currently no children under 18 years and 6 months need to isolate even if they are a close contact of someone who tests positive for the virus. However, we will inform you if your child is identified as a close contact of someone who tests positive in school. This is so that you can observe your child in case they develop symptoms. If they develop symptoms at school we will contact you to collect them and ask you to book them a PCR test.

Remote learning is available on Class Dojo for anyone who is isolating but well enough to complete school work.

Please don't hesitate to contact me either with regard to Covid19 procedures, or if you have any questions, worries or concerns. My email address is: headteacher@ditton-jun.kent.sch.uk.

Kind regards,

Mrs Chiverton
