

Home Learning Grid - Year 3: Term 1

Start date: 07/09/2026

End date: 23/10/2026

Tasks to be completed every day:

Reading	Times tables	Spellings
Please aim to read and enjoy a book for at least 15 minutes.	Use Times Table Rockstars to practice all of your multiplication facts up to 12 x 12	Practice your spelling words by writing them down or spelling them out loud! These will not always be tested.

Curriculum based activities:

These activities can be done in any order. You do not need to do any more than one per week. Bring any completed task into school and share with your teacher.

- Sketch a mountain range.
- Make a jigsaw of the world showing tectonic plates.
- Explode a volcano (outside) using Mentos and coke!
- Make a volcano using junk modelling.
- Use Lego or something similar to build The Alps.
